HAIR OPTIONS

LUXURY HAIR, BESPOKE TO YOU

I work with two carefully selected luxury hair suppliers, offering different price points and turnaround times. Both provide beautiful, premium-quality hair, bespoke-made to your individual colour, texture and requirements.
You can choose the option that best suits your budget and desired timeframe.

Both suppliers offer the same premium quality of luxury human hair. Both have a lifespan of 9-12 months (sometimes more).
The difference is the production and delivery time.

STANDARD LUXURY HAIR
Approximately 3–5 weeks turnaround.
All prices listed in this guide are based on this supplier.

PREMIUM EXPRESS HAIR
Approximately 2 weeks turnaround.
Available for an **additional £250 per hair order**, on top of the prices listed in this guide.

Both options provide the same premium-quality hair, bespoke-made to your individual requirements.

To order the hair after a consultation, a **non-refundable deposit of £200–£450** (this acts as a booking fee) is required for bespoke hair orders. This is deducted from your final balance.

BEADED WEFT EXTENSIONS

Beaded Weft Extensions are one of the most versatile and popular extension methods available. A discreet row of microbeads is used to create a secure foundation, with the weft carefully sewn onto the track for a seamless, comfortable finish.

This damage-conscious method offers incredible fullness, length and versatility, while allowing the hair to be reused appointment after appointment.

Includes luxury, ethically sourced straight & textured hair, bespoke fitting, custom cutting, blending & styling.

Beaded weft extensions can be reused throughout their lifespan, with maintenance appointments recommended every 8–10 weeks

STANDARD K-TIP EXTENSIONS

For medium to very thick hair types, a standard fitting uses traditional-sized keratin bonds throughout, with approximately 20–40 smaller, discreet micro keratin bonds strategically placed around the hairline and top layer for enhanced discretion and seamless blending.

For finer hair types, bond sizes can be customised throughout the application to complement your natural hair density and ensure a lightweight, discreet and natural-looking finish.
Each application is tailored to your individual hair type and requirements

Pricing Includes luxury, ethically sourced straight and textured hair, bespoke fitting, custom cutting, blending and styling.

K-Tip extensions cannot be reused. A full removal and new set is required every 3–5 months.

PREMIUM K-TIP EXTENSIONS

For clients with **medium to thick hair** who desire our signature micro keratin bonds throughout the entire head.
These ultra-fine bonds are a fraction of the size of standard K-tip bonds, offering enhanced discretion and seamless blending. The application takes almost twice as long due to the increased number of individual bonds and precision required.
Your pricing includes luxury, ethically sourced straight or textured hair, bespoke fitting, custom cutting, blending and styling, a complimentary trim of your natural hair, and a complimentary treatment.

K-Tip extensions cannot be reused. A full removal and new set is required every 3–5 months.
